REPORT OF CAPTAIN WHITE.

HEADQUARTERS UNDERWRITERS' FIRE PATROL,

SAN FRANCISCO, January 1, 1890.

To the President and Board of Directors of the Underwriters' Fire Patrol.

GENTLEMEN: I have the honor of submitting for your consideration my fifteenth annual report, to December 31, 1889. Contained therein will be found a list of the officers and members composing the force; a record of the fires and alarms of fire which have occurred during the year, together with the losses and insurance thereon, and the amount of insurance paid; a statement showing the loss on property not insured, also tables which appear to be calculated to show the increased efficiency of this branch of the fire service.

The members of the Underwriters' Fire Patrol force are engaged in no other business, but are obliged to give their whole time and attention to the duties required of them in their respective positions, and it is from them that the underwriters and public generally expect a constantly higher degree of efficiency and method, in the protection of property from damage by fire and water.

The force has continued to maintain its reputation for promptness and efficiency, and during the past year has given ample evidence of the skill and daring with which the members discharge their various duties.

One new wagon has been added to the apparatus during the year, which takes the place of No. 3 or small wagon (same has been in service thirteen years, and had become unfit for duty).

The horses are all in fine condition, only one change being made during the year. "Old Tom," while on his way to a fire, missed his footing and fell, causing serious injuries, which made him unfit for further service. The vacancy was filled by the purchase of another horse.

All of the apparatus is in good order and has been kept up to a very high standard. In short, we are well equipped and ready.

In conclusion-I desire to express my hearty thanks to the President and Board of Directors for the lively interest which they have manifested in everything pertaining to the success of the Patrol; also for the many acts of kindness and courtesy which I have experienced at their hands.

I also desire to express my indebtedness to David Scannell, Esq., Chief of the Fire Department; to Mr. Charles Towe, Fire Marshal; Mr. Samuel B. Rankin, Superintendent of the Fire and Police Telegraph; to the Chief of Police; and every officer and member of the several departments, having placed me under renewed obligations by the manner in which they have rendered valuable assistance to the Patrol on numerous occasions.

To the officers and members of the Patrol force I am under many obligations for the manner in which all have discharged their duties, and to all who have lent a helping hand please accept my thanks.

Very respectfully submitted,

RUSSELL WHITE,

Superintendent Fire Patrol.
